

Alpha Energy and Electric, Inc., moves into its new 10,000 sq.ft Corporate Headquarter Office in Kansas City, Missouri.

Alpha Energy and Electric, Inc., moves into its new 10,000 sq.ft Corporate Headquarter Office in Kansas City, Missouri.

The new building with over 10,000 sq.ft space positions the company better to more excellently execute all our ever-expanding responsibilities, projects and satisfy our increasing client base.
