Mr. Ike Emmanuel Nwabuonwu  
Chairman & CEO  
Alpha Energy & Electronics, Inc.

Dear Mr. Nwabuonwu:

It is with great pleasure that we invite you to join us in Washington, D.C., for the U.S.-Africa Business Forum [on Tuesday, August 5](#) at the Mandarin Oriental Hotel.

The U.S.-Africa Business Forum will provide a unique opportunity to join President Obama, African leaders, and leading U.S. and African CEOs in an event focused on strengthening commercial and business ties between the United States and Africa. The Forum will focus on the shared gains of greater engagement in the areas of finance and capital investment, infrastructure, power and energy, agriculture, consumer goods, and information and communication technology.

The Forum will kick off President Obama's historic two-day U.S.-Africa Leaders Summit, the largest convening of African heads of state hosted by a U.S. President. President Obama will attend the Forum and deliver the keynote address. The agenda will feature active discussions on the leading issues surrounding trade and investment between the United States and Africa, as well as allow time for informal discussion and networking opportunities.

Due to limited space and the security considerations of this event, we kindly ask that you confirm your attendance no later than [July 26](#). To RSVP to the Forum, or for any questions, please contact Chardee Mendoza at [chardee@bloomberg.org](mailto:chardee@bloomberg.org) or (212) 205-0150.

We look forward to seeing you in August.

Sincerely,

Michael R. Bloomberg
