Incorporated in April of 2005 in Missouri as an S-corporation, Alpha Energy and Electric, Inc., an Engineering, Procurement and Construction (EPC) Company, opened its doors providing services to industrial, commercial, governmental, and institutional structures from a humble two small room office space. Three years later, after establishing itself among the ranks of Kansas City's prominent energy and electrical construction companies, Alpha purchased and moved into what is now our 10,000 sq. ft. corporate headquarters in the heart of Kansas City.

Alpha Energy and Electric, Inc., has been part of some of the region's highest profile construction projects. Some of our major projects include: New Kansas City International Airport, a \$1.6 billion state of the art to be completed in 2024, Kansas City Downtown Streetcar, Iatan Power Plant, Kansas City Police Department East Patrol Campus/Crime Lab Project, the single largest Solar (Photovoltaic) System Project in Kansas City, Sprint Center, Arrowhead Stadium, Kauffman stadium, LaCygne Power Plant, JE Dunn headquarters, the new Saint Luke's Hospital, KCI Airport, the Cerner's Trails Campus Project, Solar Panel Design & Installation for the US Army Corps of Engineers, 15kv Switchgear Replacement at the US Department of Agriculture, and University of Missouri power plant, etc.

Alpha Energy has established strategic alliances with seasoned and world class corporations such as Black & Veatch Corporation, Siemens Industries, Inc., JEDUNN Construction, Capital Electric Construction Company, Inc., and Mark One Electric Co., Inc.

## IT IS A PRIVILEGE TO SHARE WORDS FROM OUR CLIENTS

"Capital Electric Construction Company, Inc. has worked with you and your Team in the past and are currently working with Alpha Energy and Electric on some of the most high-profile projects in Kansas City. The Alpha Team has worked diligently and have done what has been expected of them as an electrical contractor. We look forward to continuing our working relationship for years to come."

Edward R. Downey, President  
Capital Electric Construction Company, Inc.

"Mark One Electric Company, Inc. and Alpha Energy and Electric, Inc. collaborated on a number of electrical jobs at the Kauffman Stadium, JE Dunn Headquarters, and Arrowhead Stadium projects. Based on our experience on the aforementioned projects, we would not hesitate at any future opportunities to engage in a collaborative effort with AEE."

Carl Privitera II  
Vice President  
Mark One Electric Company, Inc.

"Based on my experience and professional association with this company, I'm convinced that Alpha has all the attributes and qualities to take them from First Class to Exceptional. Alpha kept to the terms of the contracts and completed their project timely and within budget. Consequently, I look forward to future collaborative opportunities to work with Alpha."

Brian Gordon, President  
MEGA Industries Corporation
