

Alpha Energy named 2017 Top 10 Small Businesses of the Year by the Kansas City Chamber of Commerce

April 19, 2017 - Kansas City, MO: Please join us in celebrating our latest accomplishment. With great humility, we announce that Alpha Energy and Electric, Inc. is privileged to be the recipient of the 2017 Top 10 Small Businesses of the Year Award – named by the [Kansas City Chamber of Commerce](#). ([See pictures from Top 10 CEOs Panel Breakfast](#))

We are delighted to be included in this list of distinguished Top 10 companies for two consecutive years. This Award would not have been possible without the combined efforts of our employees – the back bone of the company, our clients, credit unions and banks.

Alpha Energy and Electric, Inc., DBA Alpha General Contracting, is an Engineering, Procurement and Construction (EPC) Company with over a half century of combined experience. Headquartered in Kansas City, Missouri, USA. In our continued efforts to help power the economy, we endeavor to serve our clients with uncompromising level of excellence with integrity from planning to implementation. We strive to provide value for our clients through innovative design build approaches. We are also a certified SBA 8(a), HUBZONE and MBE.

Alpha Energy and Electric, Inc is grateful, honored and privileged to be an EPC company of choice. We have

been part of some of the region's highest profile construction projects. Some of our major projects include: Kansas City Downtown Streetcar, Iatan Power Plant, Kansas City Police Department East Patrol Campus/Crime Lab Project, the single largest Solar (Photovoltaic) System Project in Kansas City, Sprint Center, Arrowhead Stadium, Kauffman stadium, LaCygne Power Plant, the new JE Dunn headquarters, the new Saint Luke's Hospital, Kansas City International Airport, the Cerner's Trails Campus Project, Solar Panel Design & Installation at the US Army Corps of Engineers, 15kv Switchgear Replacement at the US Department of Agriculture, and University of Missouri power plant, etc.

Another Major milestone for Alpha Energy and Electric, Inc., World Headquarters: The City of Kansas City, Missouri, City Plan Commission approved our plans to expand our World Headquarters today, April 18, 2017. Construction starts first week of May 2017.
