FOR IMMEDIATE RELEASE

April 21, 2025

Alpha Energy and Electric, Inc. Celebrates 20 Years of Innovation, Impact, and Growth

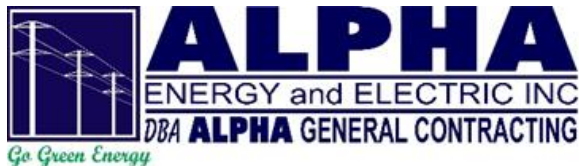

KANSAS CITY, MO —Please join Alpha Energy and Electric, Inc., DBA Alpha General Contracting in celebrating our **Twentieth (20th) Year Anniversary**, Major Congratulations and a big Kudos to Alpha Energy and Electric team, our clients and partners on this remarkable achievement. Well done!!!

Today marks a truly special milestone in the journey of Alpha Energy and Electric, Inc. - 20 incredible years of growth, innovation, and impact.

Alpha Energy and Electric, Inc., is an Engineering, Procurement and Construction (EPC) Company with over half a century of combined experience. We serve our clients with an uncompromising level of excellence with integrity from planning to implementation. Our resilient attitude is second to none.

Alpha Energy and Electric, Inc. is a premier EPC company with a proven track record of exceptional performance on significant projects both within and outside the region. We have proudly contributed to some of the region's most high-profile construction endeavors. Over the past two decades, we've proudly played a pivotal role in the most iconic and transformative projects of the region and beyond. Our major projects include:

- **New Kansas City International Airport:** A \$1.5 billion state-of-the-art airport completed in 2023.
- **Kansas City Downtown Streetcar Extension:** Scheduled for completion in 2025.
- **Iatan Power Plant**
- **Kansas City Police Department East Patrol Campus/Crime Lab Project**
- **Paseo Academy Solar Project:** The largest solar (photovoltaic) system project in Kansas City.
- **Sprint Center now T-Mobile Center**
- **Arrowhead Stadium**
- **Kauffman Stadium**
- **LaCygne Power Plant**
- **New JE Dunn Headquarters**
- **New Saint Luke's Hospital**
- **Cerner's Trails Campus Project**
- **Solar Panel Design & Installation for the US Army Corps of Engineers**
- **15kV Switchgear Replacement at the US Department of Agriculture**
- **University of Missouri Power Plant**

- We are also installing all the security systems at the **New Jackson County Detention Center in Kansas City, Missouri.**
- International Energy Initiatives in West Africa.

Our most recent multi-million-dollar project -- **the new Panasonic Battery Manufacturing Facility in De Soto, Kansas.**

This New Panasonic Battery Manufacturing Facility Project in De Soto, Kansas is estimated at over \$4 billion and to be the largest Battery Manufacturing Facility in North America when completed in 2027.

From our humble beginnings in a tiny office in the historic 18th and Vine District, to owning our worldwide headquarters, this journey has been fueled by hard work, resourcefulness, resilience, and perseverance. We extend our gratitude to the amazing team for the talent, dedication, and passion of each one of you.

In 2014, Alpha Energy and Electric, Inc. was one of the twenty companies selected and accompanied the U. S. Secretary of Commerce on a trade mission to West Africa: a mission to promote the United States President's power initiative in West Africa.

We've earned accolades along the way, the **2017 Small Business of the year and the coveted Mr. K Award.** Recently we were honored by the Kansas City Chamber of Commerce as a **2025 Business Superstar, and 2025 Healthiest Employer Winner** by the Kansas City Business Journal.

And our latest award, the **2025 Champion of Business** by the Kansas City Business Journal. These achievements are a testament not just to our work — but to our **resilience, grit, ethics and character.**

Our journey is more than a success story — it's a story of vision, community, and perseverance. And as we look ahead, our mission remains stronger than ever: to continue being a trusted partner, building with purpose, and leading with integrity.

Thank you for being part of this remarkable journey. Let's take pride in what we've built — and let's keep building the future, together. We proudly celebrate a major milestone in our story. Cheers to the next 20 years of excellence!

With deep gratitude,

Gabriel Okafor

President
